

The Big Event April 9, 2016

What is “The Big Event?”

ASNMSU is hosting The Big Event, an off-campus community service project where students provide volunteer services to the City of Las Cruces and surrounding areas. This is our way of saying “Thank you” to our community. Through service-oriented activities, The Big Event promotes campus and community unity as students come together for one day to express their gratitude for the support from the surrounding community. Services include painting, cleaning, raking, trimming, and beautifying our city. With your help we can make it a huge success!

Important Information

Anyone who is a student or employee of NMSU can participate. You can sign up with a group of friends, an organization, or as an individual to be paired with other individuals. To participate, please fill out the attached forms.

It is important that the number of people who sign-up on the participation form is the correct number that will participate. We will use this number to assign jobs. If any adjustments need to be made to those numbers please email the Director of Community Outreach as soon as possible at asnmsuco@nmsu.edu

The Big Event check-in/kickoff will be held at **Location TBA (A further email will be sent out regarding location)**. Check-in will begin at **9:00 am**. There will be sign-in tables at the kickoff where you will register alphabetically under your organization name. You may only check in when your entire group is present.

Turn in packet on time. The first 1,000 registered participants will receive T-shirts and breakfast.

All organizations that wish to participate in the event need to have their own transportation available the morning of the event (carpooling with members of your organization is recommended). Maps to the job site will be provided at check-in.

If you have any questions or concerns please contact the Director of Community Outreach at asnmsuco@nmsu.edu

Please return completed forms by Friday, April 1, 2016 to the ASNMSU office. The ASNMSU Office is located on the second floor of the Corbett Center Student Union building
