For the past GAA year (2015-2016), the AR Department did not include funding for the UNM-NMSU tailgate because the game was hosted in Albuquerque. This year, the game returns to NMSU, but AR was not adjusted for this change. The UNM-NMSU tailgate is the largest tailgate that must be hosted. Despite needing to host this tailgate, AR Department must also budget for four other tailgates during the football season, and a request by the basketball team to begin hosting tailgates for their games has been made as well. Six thousand dollars was cut from this appropriation but we believe we can sufficiently cover the year with \$3100 for tailgates.
