This bill is illegal because it is too late by 7-3-3-J. This bill had died at the last Senate of the semester due to missing community service forms. These forms have been found. AIChE has done hundreds of hours of community service.

In addition, the team will be forced to stay home this year for competition without the funds from this bill. They won numerous awards and had their name issued in a national newsletter thanks to their performance in competition last year. This team and club are exemplary Aggies, model citizens, and deserve to have this mistake fixed for them.
