68 Two thousand three hundred fifty-five dollars and no cents (\$2355.00) shall be appropriated to the account of
69 Society of Automotive Engineers from the ASNMSU Surplus Account.

70

71 Section 4: Rationale.

72 This bill is to cover the operating expenses throughout the semester for building the competition vehicle. Many of
73 the parts are recycled from year to year, therefore the car meets the law book requirement for being a recurring and
74 required expense for the normal functioning of this club. SAE positively represents NMSU at the national level
75 receiving plenty of recognition for their work.
