34 Section 4: Rationale.

35 Arturo Leos, Gerardo Barragan-Rivera, Isai Villegas, Jesus Castanon, Jose Marquez, Juan Villa, Luis Cobos, and
36 Orlando Segovia attended the Society of Hispanic Professional Engineers in Seattle, WA, where they were able to
37 further develop their leadership skills and get to know more about many companies in their fields of study. It was a
38 great opportunity for the students to make connections with students and employers from all over the country; with
39 the conference having around 7,000 attendees in total and a Career Fair with hundreds of employers looking for only
40 engineers.
