

HOMECOMING 2017

**Official Information
and Entry Packet**

Welcome Letter

Dear Homecoming Participant,

I am pleased to welcome you to Homecoming Week 2017. This packet will fill you in on all things Homecoming, detailing all events and the ways in which you can get involved. My name is Donovan Olvera, and I am the 2017-2018 Director of Activities for the Associated Students of New Mexico State University. On behalf of ASNMSU, I would to thank you for your participation in this prestigious annual event and wish you all best! We hope to provide you with the best possible Homecoming Week experience!

We are pleased to announce that the theme for this year's Homecoming is “Dia de los Aggies”. This year’s theme will bring back some wonderful memories, generate open interpretation, and yield a wealth of wonderful showcases. We have been working with the NMSU Alumni Association in planning traditional Homecoming events, in an effort to deliver the most authentic Homecoming yet. All of the events planned will create an enjoyable time, and continue to uphold the strong tradition and Aggie Pride that we have here at NMSU.

We hope that everyone- students, faculty, alumni, and the community- will get involved during Homecoming! We understand that being a part of these events can be time consuming, but any effort you put into this week of festivities will only increase the awareness and strength of our school’s traditions. Each float, door display, nomination and auction item that is put forward during the week is much appreciated by ASNMSU and the University as a whole. Your participation contributes to the tradition built by generations before you and assists in facilitating Aggie traditions for generations to come.

If you have any questions, comments, or concerns please feel free to contact me at (575) 646-1964 or by email at asnmsua@nmsu.edu. Please take note of the schedule of events attached, specifically; important dates, deadlines and mandatory meetings. I genuinely thank you for your participation and look forward to a fantastic week!

Best of Luck,

Donovan Olvera
ASNMSU Director of Activities

Outline of Competitive Events

The Associated Students of New Mexico State University (ASNMSU) are thrilled to present the 2017 Homecoming theme: “Dia de los Aggies”.

All entry forms must be turned in to the ASNMSU Office, located in Room 205 on the second floor of Corbett Student Union by the mandatory deadlines.

Any questions comments or concerns, please contact Donovan Olvera, ASNMSU Director of Activities at 646-1964 or by email at asnmsua@nmsu.edu.

Judges:

A panel of university and community affiliated judges will be selected by the ASNMSU Director of Activities and staff to be approved by the ASNMSU President. These judges will evaluate entries based on various criteria outlined in the examples scoring sheet.

****ALL JUDGES’ DECISIONS ARE FINAL****

List of Competitive Events for Organizations to Participate In:

- **Homecoming King & Queen Competition (students only):** The NMSU student body will elect one female and one male to be the 2017 Homecoming King & Queen. Voting will take place online at vote.nmsu.edu from 8:00am Monday, October 23rd, 2017 through 5:00pm Friday, October 27th, 2017. Winners will be announced at half time at the Homecoming Game on Saturday, October 28th, 2017. Nominations are due by October 6th at 5:00pm to the ASNMSU office.
- **Door, Office and NMSU Student Door Display Competition (Student & Faculty):** Awards will be given to the NMSU Residence Hall, College/Department office, and NMSU Student Organization having the best display depicting the Homecoming theme. (Your organization may only enter in one of the categories.)
- **Parade:** 1st, 2nd, and 3rd place awards will be given in Category 1 and Category 2. More information can be found in the Point Breakdown Section.

Point Breakdown

****Car Chalking:** This is a fun way to let everyone on campus know what is going on and that your organization is participating in the fun! Each organization (or team) will be awarded 15 points for bringing 5 pictures of the cars (per organization) to the ASNMSU Office (2nd floor of Corbett) between the hours of 8:00am –5:00pm on Monday, October 23rd. You must submit printed hard copy photos. Points for this event are all or nothing! In order to receive the total number of points each car must have the following:

- a) Overall theme: **“Dia de los Aggies”**
- b) Names of organization or pairings
- c) One upcoming NMSU Homecoming Event and date of the event

There are a few rules and regulations pertaining to car chalking; any organization/team found in violation of the following will not be awarded points.

- a) Car chalking cannot be placed on the front windshield of any vehicle
- b) Car chalking cannot be placed on the driver’s side window or the passenger’s side window
- c) Any other window that has writing the driver **MUST** be able to see clearly out of it
- d) The supply of car chalk will be the responsibility of each organization

***This event will count as a tie breaker if necessary!*

Wooden Pallets: Each NMSU student organization is allowed (and encouraged) to donate up to 200 wooden pallets. These pallets are used in the Homecoming Bonfire. All pallets must be whole; partial pallets will not be accepted. Each organization will receive 20 points for each complete increment of 50 pallets. All pallets are to be brought to Lot #30 (East of Pan AM) on Thursday, October 26th, 2017 between **the hours of 10:00 am – 3:00 pm. Pallets will only be accepted for points during the times appropriated.**

Auction Item: Student Organizations and University Departments are encouraged to submit one new item or prize basket to be used in the Silent Auction. Absolutely no used items will be accepted. **The value of the item should not exceed \$100.** Points for this event are all or nothing. 50 Points will be awarded to any group who donates an item. A maximum of 50 points can be earned for this category, submitting more than one item, while encouraged, will not result in a group being awarded more than 50 points. Groups are encouraged to submit items that college students would enjoy.

Parade Entries: Parade entries may be submitted in one of four categories:

- 1) Chartered Student Organization **with more than 30 members participating.**
- 2) Chartered Student Organization **with less than 30 members participating.**
- 3) A University Department
- 4) A Community Organization or Business

PLEASE NOTE – Category 1 & 2 are not the same. Student organizations with more than 30 members participating in Homecoming fall under Category 1. Student organizations with less than 30 members will be Category 2. If two organizations team up, the combined number of participating members from each organization will be used to determine their category. Ex. Group A with 15 members and Group B with 20 members team up, combined with 35 members they would fall under Category 1.

Departmental Door/Office Display Contest Rules and Information

All departments, offices, and students are invited to enter a display of the Homecoming Theme. Please check with the building manager/Department Head for permission to decorate the doors or offices.

The door and office display will be judged on overall appearance, originality and depiction of the theme. The winners of the contest will be announced at the Homecoming game on Saturday, October 28th, 2017. Winners will be contacted to pick up their prizes in the ASNMSU Office.

All entry forms must be completed and turned into the ASNMSU office by 5:00 pm on Wednesday, October 18th, 2017. Judging will begin at **12:00pm** on Friday, October 27th, 2017. The specific time at which your door will be judged will depend on the number of entries. It is at your discretion as to how long you keep the display up.

Be sure to indicate the building and room number on the entry form as well as the name of your department or organization (if applicable).

Student Organization Door Display Contest Rules and Information

1. All groups are invited to enter a door display depicting the overall Homecoming spirit. Be sure to get permission of the person(s) responsible for the building or facility that you wish to use for a display before turning in this form.
2. The door displays will take place in Corbett Center Student Union. Your door must be complete by 11:59 pm on Monday, October 23rd, 2017. It will stay up and decorated until Sunday October 29th. **The display will have to be down by 5:00 pm on Monday, October 30th, 2017. If it is not taken down, there is a \$100.00 fee.**
3. The approved materials will be announced at a later date, please be on the lookout for it on the student hotline.
4. The display will be judged on overall appearance, originality and depiction of the theme. Judges will only evaluate and give points to the decorations in or on the building. The winners will be announced at the Homecoming game, Saturday, October 28th, 2017. Awards can be picked up at the ASNMSU Office on December 1st, 2017 in the ASNMSU office.
5. All entries must be turned in by 5:00 pm on Wednesday, October 18th, 2017. Judging will begin on Friday, October 27th, 2017. The specific time at which your door will be judged will depend on the number of entries. You must have at least two members at your assigned door to explain the display at the time of judging.
6. Responsibility for the security of your Homecoming display lies with your organization and not with the Homecoming Committee.
7. Be sure to indicate the exact location of your display on the entry form (Corbett Center Student Union room number and name). This is very important and without this, our judges may not be able to find your display.

Homecoming Royalty Nomination Information and Rules

All Student Organizations are encouraged to nominate two members from their organization, one King nomination and one Queen nomination, whom they believe not only strongly represent the ideals and principles of the organization, but also will serve as an exemplary and respectable part of NMSU Homecoming history for years to come. The nominees must be of either junior or senior academic standing or graduate student, an enrolled full time student, have a cumulative grade point average of 2.0 or above, and be in good standing with the rules and policies set forth by the given organization. Student organizations may choose to enter only a King Nomination or Queen Nomination; both is not mandatory.

The deadline for entries will be Monday, October 6th, 2017 at 5:00 pm in the ASNMSU office. Late entries will not be considered. There will be a required meeting for all persons running in the Homecoming Queen and King contest on Friday, October 11th, 2017 at 6:00 pm in the ASNMSU office. All nominees must be present or else they will be assumed to have dropped out of the running.

Campaigning may begin Monday, October 16th, 2017 at 8:00 am. Any campaigning materials found by the Homecoming Committee before this date will be removed and candidate will be disqualified. All campaign material must be taken down by Sunday, October 29th, 2017 at 8:00pm. A \$50 fine will be charted to your organization for every piece of material found thereafter; sidewalk chalk excluded although more may not, under any circumstances, be added.

Taping flyers to the sidewalk, poles and trees is strictly prohibited. Posters must be approved by building supervisors and all campaigning must be in accordance with NMSU campus policies and in good taste. Any campaign related material not in good taste, especially in association with another candidate, will not be tolerated under any circumstances and will result in immediate disqualification of the candidate, regardless if elections have started or not.

ASNMSU will not be allowed to sponsor a nominee for either Homecoming Queen or King. The Homecoming Queen and King elections will take place from Monday, October 23rd, 2017 at 8:00 am until Friday, October 27th, 2017 at 5:00 pm. When polls close, no further votes will be accepted. All voting processes will take place online at vote.nmsu.edu. Only NMSU students will be allowed to vote. The results will be announced at halftime of the Homecoming Football Game on Saturday, October 28th, 2017. The King and Queen will be awarded their own commemorative crown and sashes courtesy of ASNMSU.

Parade Information and Rules

Start: Lot #30, east of the Pan American Center.

End: Lot #3, west of Skeen Hall, corner of Knox and University Avenue.

Lineup and check in will start at 7:00 am on Saturday, October 28th, 2017 in the NMSU Parking Lot #30 for any floats. Other entries (bands, dance groups, and groups on foot, etc.) should arrive by 8:00 am. **Entries unaccounted for by 8:00 am will be considered to have dropped out of the parade and will not be judged.** Volunteers will be present to assist with check in and getting everyone into proper position for the start of the parade. Only those vehicles participating in the parade will be allowed in this area. Furthermore, a representative from your organization needs to be at your float at all times.

The parade will progress out of lot #30 and line up on the Arrowhead Dr. We will turn left onto Triviz, and left onto University Avenue. The parade will continue West on University until it reaches Knox Street where it will disband. Floats will continue on to Stewart and down to Aggie Memorial where they will park along Arrowhead Dr. Dumpsters will be provided at the final destination point for the parade route. If you wish to display your float, for the duration of the day/game, you must park it on Arrowhead Drive, west of Aggie Memorial Stadium. **Floats MUST be torn down and disposed of in supplied bins by 9am on Sunday, October 29th.**

Be sure that your entry is safe. Floats should be continuously monitored once building begins in order to prevent vandalism or arson. No open flame or fire will be permitted on the float. Make sure the entry is strong enough to support all of the people who will be riding on the float. Floats must also adhere to the following guidelines: Maximum Height: 14 ft. and 6 in. (From the ground to the highest point on the float). Maximum Length: 65 ft.

Be sure that your entry has enough gas or water to complete the parade route. Due to the low speed of the parade, vehicles tend to burn more gas and are prone to overheating.

All bands, cheerleaders, dance groups, and those on foot are expected to march the full extent of the parade as outlined above.

If you are planning to give candy or promotional gear during the parade, you must hand it out by walkers along route only. Tossing anything will not be allowed due to safety concerns.

No jumping on floats. Floats must be completely stopped before anyone on the float may get on or off.

If you borrow anything to be used in the parade, make sure it is returned as soon as the parade is over. The Homecoming Committee and ASNMSU are not responsible for vehicles that are returned late or for any damage that is done.

PARADE FLOAT MUST BE VIEWABLE FROM BOTH SIDES OF THE STREET. FAILURE TO DO SO WILL RESULT IN DISQUALIFICATION.

Entries are allowed to perform a short dance (2 minutes or less) for the judges when they reach the judges station.

The Homecoming Committee reserves the right to refuse any entry, reserves the right to remove any pre-approved entry from the line of march, and reserves the right to move an entry from a judged category to a non-judged category for unacceptable and undisciplined behavior, as well as for an unacceptable float.

The presence and or consumption of alcohol is prohibited on or around the float. In violation of this rule, disqualification will ensue and police action will be taken.

We cannot guarantee where your entry will be placed in the parade. The Homecoming Committee is responsible for planning the lineup and making it both balanced and uniform. Special requests will be considered, please include on your parade entry form.

Entry Fees:

In order to encourage participation in the Homecoming Parade, there will be no charge to enter.

Absolutely NO political entries will be allowed.

Float Safety Requirements

- 1. Float & Running Gear** - The foundation for a tow float is typically a sturdy flat trailer bed with pneumatic wheels. All load supporting areas on the float should be of wood, steel, or other structurally competent material (not cardboard). Wheels, tires, dollies, axles, bearings of adequate sizes and strength to support the total load of the float are required. Wheels and tires should be in good condition and vehicle brakes sufficient to stop the float when loaded. The authority having jurisdiction with the parade shall have the exclusive right to ban any unsafe vehicle.
- 2. Vehicle Maintenance** - Vehicles pulling floats and self-propelled floats shall be serviced for gas, oil, water, tires and battery prior to reporting to the staging areas. Vehicles licensed for highway use shall have proof of insurance. No extra gasoline may be carried on the float. For emergencies, a horn or other sounding device is to be present.
- 3. Decorations**-All decorative material shall be manufactured or treated to be effectively fire retardant. If not marked as such, decorative material may be treated with a fire retardant solution. Commercial solutions may be purchased or the following retardant solution can be mixed and used: 1 ¼ lbs. boric acid + 9 oz. Borax + 3 gallons water. Satisfactory flame retardant is determined by holding a sample of the material in a vertical position and placing a match flame ½ inch below it. If the material ignites, it must self-extinguish when the flame is removed. The finished float and decorated areas should have no sharp or unfinished edges exposed. If the driver or any other individuals are enclosed within the float or decorations, proper ventilation and emergency exits shall be provided for them.
- 4. Driver Vision/Communication** - Floats decorations shall be designed to allow the driver 180 degree clear vision to the front and sides of the float or tow unit. If 180 degree vision cannot be provided, a spotter(s) with clear vision of these areas must accompany the float as a guide. Driver shall also have view of (or communication with) float riders in the event of a problem on the float.
- 5. Fire Extinguisher** -At least one 10 pound ABC fire extinguisher shall be carried in an easily accessible, designated location on the float or towing vehicle. The fire extinguishers shall be sealed, tagged, and dated within the previous 12- month period. Open flame displays, roman candles, and fireworks are prohibited on floats and tow vehicles.
- 6. Rider Safety** - All participants riding on open floats shall have solid sitting arrangement with hand holds readily available to them. Any standing participants shall have a stabilized body support with buckled safety belt or other means to prevent falling from unit. No person shall be wired or tied to the float. Secured safety rails, barriers, or ropes may be used to prevent a fall from the float. No unsecured riders may be located where they might fall beneath the float, its wheels or between tow vehicle and float (e.g. no

seating on rear edge of tow vehicle or on front edge of float). If present, children must be under adult supervision and seated at all times when in motion. Riders are to remain on float once the parade begins and at all time when the float is in motion. Alcohol consumption or smoking on the float is prohibited.

7. **Driver** - Float driver shall have a valid driver's license and be in competent condition to safely operate the vehicle. Driving under the influence of drugs or intoxicants is prohibited. For the safety of float riders, the driver must minimize abrupt starts and stops. The float safety checklist must be in the possession of the driver.
8. **Generators** -Where used, generators shall be securely mounted on the vehicle with not less than 12 inches of clearance separating it from any combustible material. Any generator in a confined space (e.g. pick-up camper shell) shall not have any riders inside same space.
9. **Electrical System** -Where used for lighting, motorized decorations or other application on a float, electrical wiring must be of a type approved for the use for which it is being employed, shall have sufficient capacity, shall be secured to prevent damage, shall have all connections secured via approved devices (or electrical boxes) and shall be properly fused. Not bare wires or exposed electric connection is permitted.
10. **Speed** – Towed and self-propelled floats shall be capable of maintaining a minimum speed of 10 miles per hour during the parade. The speed when float is occupied during parade is limited to a maximum of 20 miles per hour.
11. **Towing Safety** – Adequate primary (tow bar) and secondary connection (chain, cable, etc.) devices shall be made between the towing vehicle and float. All connections shall comply with any and all applicable laws and standards. Primary and secondary connections shall be appropriate for the normal and anticipated loads.
12. **General Safety Rules** - Hard objects, candy, boxes, etc., should not be thrown from the float during the parade. Parade participants wishing to provide giveaways should have walkers along the float to HAND OUT the giveaways.

DO NOT THROW ITEMS INTO THE CROWD.

Inspection

All floats will be subject to an inspection check for compliance with the float safety requirements prior to commencement of parade. **The float safety checklist must be signed and in the possession of the driver at the start of the parade.**

Jurisdiction

Any matter of safety not covered in these rules can be reviewed and required to be corrected by any member of the Homecoming Parade Committee or NMSU Environmental Health & Safety.

This includes, but is not limited to; the NMSU Fire Department, NMSU Police, or Office of Facilities and Services. Matters considered hazardous to the extent that they may pose a risk to the participants or public are to be corrected. Failure to correct the hazard identified can result in the removal of the float from the parade. If there are questions on the above requirements, please call NMSU Environmental Health & Safety Office at 575-646-3327 or contact Donovan Olvera, Director of Activities for ASNMSU at 575-646-1964 or stop by the ASNMSU office with any questions. You may also send an e-mail to: asnmsua@nmsu.edu
