29

30 Section 4: Rationale.

31 Caitlin Ard and Lily Osorno attended this conference in order to make connections with others in common
32 backgrounds and to learn how other organizations with similar goals as ours are operating. In this conference they
33 were also able to obtain advice and network with computing leaders in academia and the industry. At this conference
34 they found goal oriented speakers who might be interested in speaking at NMSU in the future.
