Brooke Baca, Sierra Baca, Joshua Knight, Ethan Wright, Brian Roberts, Dustin Stevens, Gabriel Doherty, and Kaleb Cleckler attended the Collegiate 4-H Leadership Conference in Socorro, NM, to help students involved in the organization develop leadership skills that will help them in the classroom, the workplace, and their lives overall. The conference is open to collegiate 4-H chapters all over the nation, and will allow students involved great networking opportunities, and to get a glimpse into the experiences that collegiate 4-H members on other campuses around the country regularly partake in. This event also allows students the ability to see how other chapters interact with, and better their communities.
