58 Conference in Minneapolis, MN from October 27th to October 30th. The AIChE Annual Meeting is the
59 premier educational forum for chemical engineers interested in innovation and professional growth.
60 Academic and industry experts cover a wide range of topics relevant to cutting-edge research, new
61 technologies, and emerging growth areas in chemical engineering. The Annual Student Conference is four
62 days of career information, social events, and competitions. Student engineers celebrate the Chemical
63 Engineering profession, along with young professional members, AIChE leaders, and industry
64 professionals from numerous engineering specialties.

65

66 Subsection B: Daniel Ellis, Gustavo Hernandez, Cesar Martinez, Karen Sanchez, and Sicilee Macklin, will
67 present their respective undergraduate research projects as part of the poster competition. These members
68 of the American Institute of Chemical Engineers will also explain to other student chapters how the NMSU
69 AIChE chapter will participate in the NMSBrew Brewery Engineering program and consortium.
