37 The AWP Conference & Bookfair is an essential annual destination for writers, teachers, students, editors,
38 and publishers. Each year more than 12,000 attendees meet for four days of dialogue, networking, and
39 access to the organizations and opinion-makers that matter most in contemporary literature. The conference
40 features over 2,000 presenters and 550 readings, panels, and craft lectures. The bookfair hosted over 800
41 presses, journals, and literary organizations from around the world. AWP's is now the largest literary
42 conference in North America. The attendance gave Tiffany Keeler the opportunity to connect and network
43 with others in her chosen field of study.
