24

25 Section 4: Rationale.

26

26 As a Pre-Med student, this symposium will provide Kevin Ladd the opportunity to become the most informed applicant for medical school. It  
27 will also give this student the opportunity to become educated with skills, tools, and knowledge to effectively address the health inequities of  
28 New Mexico state and teach the role of the applicant in improving the overall health of the community. This symposium provides the  
29 opportunity to network, grow professionally and academically, and explore interests in various health fields.
